# Tips & Tricks

Tip for the **intro level**: P-speed is your friend!

Tip for **A Nu Start**: L and R can scroll the screen!

Tip for **HBD FRY!**: Start + Select exits the level!

Tip for **BrOWNCave**: You keep your vertical speed after collecting a goal orb!

Tip for **The Big Intestine**: Try growing Yoshi at the start!

Tip for **Crunchy Caves**: L and R can still scroll the screen!

Tip for **poopy2D**: You can throw P-switch nubs after pressing them. Also try holding jump up the steep slope!

Tip for **Dumpy House 1**: You can place the key on the glowing yellow tile!

Tip for **YOSHI'S HOUSE** with two pokeys:  
Try spin jumping into a falling key!

Tip for **YOSHI'S HOUSE** that starts with a carrot platform: Good luck!

Tip for **poop puzzle house**: Multi-coin blocks turn into brown blocks based on a timer, not the number of times hit. All multi-coin blocks share the same timer!

Tip for **le fishe au chocola**: Do NOT hit the invisible block under the orb!

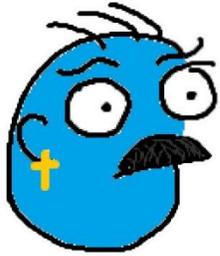

Tip for **2 donkeys**: Try shell jumping to spawn 2 yoshis, so the one you land on is invisible.

Tip for **DENIS' POOP HOUSE I**: Try spin jumping between the lotus and fully extended block bridge!

Tip for **YOU SUBMIT**: Try looking at the timer to time your jump on the bullet bill!

Tip for **Dumpy House 2**: Conveyor slopes teleport fireballs to the top of the screen!

Tip for **RARE SWITCH PALACE**: Try holding right while spinning to aim your fireballs more accurately! Two fireballs plus a bounce are all you need to kill a chuck!

Tip for **fanfic VI**: Try ducking when collecting the cape!

Tip for **The Small Intestine**: Scroll the screen to respawn the bouncing flames for an easier time!

Tip for **Shell-Hulud**: You don't need the key beyond the second jump!

Tip for **NOT a DUCK cave**: Your facing direction affects the length of screen scrolling!

Tip for **Dumpy House 3**: Try duping!

Tip for **uuuhghfh?**: Try going the other way instead!

Tip for **PLAY KUSO ECSTASY**: Play Kuso Ecstasy!

Tip for **ear theaters**: You can fully grow a yoshi with just 3 servings of fish!

Tip for **TEST**: Try scrolling to avoid the baseballs!

Tip for **Alex Honnold Sim**: Try climbing right to catch the shell as you bop it!

Tip for **revenge poop**: For the final podoboo, try counting to five then jumping. If it pops up before you reach five, restart the count!

Tip for **The Salmon Shaft**: Start building P-speed when you reach the arrow signs!

Tip for **POOPYMORPHOSIS II**: Ditch yoshi to get a little more horizontal distance for both you and Yoshi!

Tip for **gaussian integral**: Remember to not press any other buttons when screen scrolling!

Tip for **Neutral Runoff**: Neutral Runoff!

Tip for **SNAIL CHAPERONE V**: Try bopping the koopa while it's flying through the wall!

Tip for **The Numismatist**: noun · a specialist in numismatics. · a person who collects numismatic items, especially coins.

Tip for **The BOX**: Your first step should be to collect the mushroom from the left side!

Tip for **POOP LOOP**: Try using the throw block to free the shell! Don't Juggle!

Tip for **belly glider 2**: You can belly glide while small! There is no graphic for this so the player sprite will be invisible.
